MID-CONTINENT CONFERENCE

Now in its 23rd year as an NCAA Division I athletics conference, the Mid-Continent Conference is coming off a year in which its student-athletes, coaches, administrators and teams continued to strengthen its reputation as a nationally competitive and well-respected league. The Mid-Con's member schools - Centenary College of Louisiana, Chicago State University, IUPUI (Indiana University-Purdue University Indianapolis), UMKC (University of Missouri-Kansas City), Oakland University, Oral Roberts University, Southern Utah University, Valparaiso University and Western Illinois University - are located primarily in the Midwest's largest urban areas, and pride themselves on providing quality athletic, academic and social experiences for their student-athletes.

The Mid-Con sponsors an all-time high of 19 championship sports, which includes: baseball, men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, softball, men's and women's swimming & diving, men's and women's indoor track & field, men's and women's outdoor track & field, men's and women's tennis, and volleyball.

A brief review of the Mid-Con's highlights over the past two decades:

1982-83

The Association of Mid-Continent Universities is founded with "Frosty" Ferzacca as its first commissioner. The initial AMCU line-up includes Cleveland State, Eastern Illinois, Illinois-Chicago, Northern Iowa, SW Missouri State, Valparaiso, Western Illinois and Wisconsin-Green Bay.

1983-84

UW-Green Bay and Eastern Illinois each play in the NCAA Men's Soccer Tournament, making them the league's first NCAA Tourney teams in any sport.

1985-86

Cleveland State earns the AMCU's first national recognition in the NCAA Men's Basketball Tournament. The 14th-seeded Vikings upset No. 3 seed Indiana on their way to a "Sweet 16" appearance. In addition, SW Missouri State begins a string of five consecutive postseason appearances by reaching the quarterfinals of the NIT.

1987-88

The AMCU sends two teams to men's basketball postseason play for the third straight season. Ferzacca steps down as commissioner and is replaced by Jerry Ippoliti. Eastern Illinois' Jim Maton is the league's first NCAA National Champion, as he wins the 800 meter run at the NCAA Indoor Track Championship.

1989-90

The AMCU sends a conference-record three teams to postseason play in men's basketball, including Northern Iowa, which upsets former No. 1-ranked Missouri in the first round of the NCAA Tournament. The AMCU changes its name to the now familiar Mid-Continent Conference.

1990-91

For the second straight season, the Mid-Con sends two teams - in this case, Northern Illinois and UW-Green Bay - to the NCAA Men's Basketball Tournament.

1991-92

The league announces that it will begin sponsoring women's athletics - strengthened by the membership of seven former North Star Conference members - the following year with the debut of six championship sports. UW-Green Bay's Tony Bennett establishes the league's all-time scoring record in men's basketball and wins his second straight Mid-Con Scholar-Athlete of the Year Award.

1992-93

UW-Milwaukee wins the first Mid-Con-sponsored women's championship when it takes home the cross country crown. Northern Illinois makes the first NCAA appearance by a Mid-Con women's team in the NCAA Women's Basketball Tournament. Wright State's Brian Anderson is the third overall pick in the Major League Baseball draft after repeating as the league's Pitcher of the Year.

1993-94

Northern Illinois' volleyball squad posts the league's first women's NCAA Tourney win with a three-game triumph over Illinois State. UW-Green Bay upsets California in the first round of the NCAA Men's Basketball Tourney. Six schools depart the Mid-Con at the conclusion of the season.

1994-95

The league's revamped line-up includes Buffalo, Central Connecticut State, Chicago State, UMKC, Northeastern Illinois and Troy State. Jon Steinbrecher begins a league-record nine-year tenure at the Mid-Con helm when he replaces Ippoliti as commissioner. Valparaiso begins a string of five straight regular-season titles and six consecutive Mid-Con Tournament titles in men's basketball.

1995-96

Charter member Eastern Illinois departs the Mid-Con, but not until after winning its ninth men's outdoor track and field title, a record for all Mid-Con sports that still stands.

1996-97

Buffalo (cross country) and Valparaiso (volleyball) earn the first-ever "three-peats" in Mid-Con women's athletics.

1997-98

Oral Roberts and Southern Utah join the Mid-Con. Oral Roberts begins a string of six straight Mid-Con volleyball titles, and wins its first-round match in the NCAA Tournament by edging Arizona in five games. The Mid-Con becomes one of few NCAA Division I conferences across the nation to simultaneously run its basketball championships at the same neutral site. Valparaiso reaches the NCAA "Sweet 16", thanks to the efforts of NBA draftee Bryce Drew, who hits "The Shot" which eventually earns him an ESPY from ESPN. Youngstown State earns the first Mid-Con women's tourney win, topping fifth-seeded Memphis in the first round.

1998-99

IUPUI and Oakland begin competition in the Mid-Con. Western Illinois wins its eighth men's swimming and diving title. Associate member DePaul reaches the NCAA Softball College World Series, posting a third-place finish, and sets a Mid-Con single-season record with 54 wins.

1999-2000

Southern Utah finishes 21st in the NCAA Men's Cross Country Championship. Western Illinois softball reels off a 25-game win streak behind Mid-Con Pitcher of the Year Holly Killion, who sets Mid-Con records with 30 wins and 355 strikeouts.

2000-01

Oakland women's soccer player Anita Rapp - a two-time Mid-Con Player of the Year (1999, 2001) and a WUSA draftee - earns a Gold Medal while playing for her native Norway in the 2000 Olympic Games. The Mid-Con renames its Women's All Sports Award for retiring Western Illinois Director of Athletics Dr. Helen Smiley.

2001-02

Southern Utah sweeps the Mid-Con cross country championships for the fourth straight year, while UMKC captures the conference's first-ever NCAA Men's Soccer College Cup win, a 2-1 overtime triumph over former league member UW-Milwaukee. Oral Roberts' Krista Ragan sets the Mid-Con women's basketball career scoring record (2,105), and becomes the first player in league history to earn four first-team all-conference citations in the sport. Valparaiso posts the biggest turnaround in NCAA women's basketball (from 7-22 in 2000-01 to 26-7 in 2001-02) on its way to reaching the quarterfinals of the WNIT. UMKC's Matt Voelker earns outdoor track and field All-America honors in the high jump.

2002-03

The Mid-Con sets a league record by sending four teams combined - IUPUI (NCAA) and Valparaiso (NIT) on the men's side and Valparaiso (NCAA) and Western Illinois (WNIT) on the women's side - to basketball postseason play. Oral Roberts' Marsha Dawkins earns All-America honors in the 400 meter dash at both the NCAA Indoor and Outdoor Track and Field Championships. IUPUI women's basketball player Tiffany Kyser is Indiana's recipient of the NCAA "Woman of the Year" award (she is also a finalist for the national award). Steinbrecher resigns as commissioner and is replaced by Ron Bertovich.

2003-04

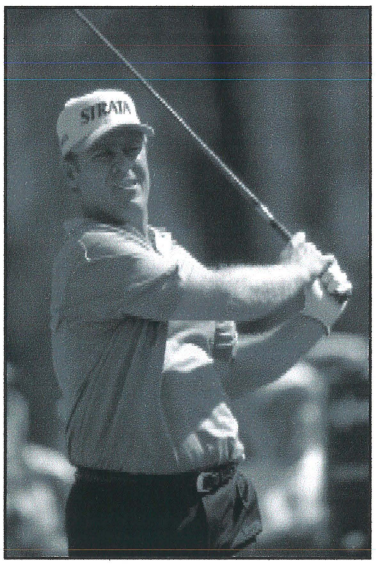
Centenary begins Mid-Con play, lifting the league's membership to nine. The Mid-Con sends two teams (UMKC, Oakland) to the NCAA Men's Soccer College Cup for the second time in league history, and Oakland's swimming and diving programs set league records for consecutive titles when they sweep the Mid-Con Championships for the fifth straight time. UMKC's Michael Watson finishes his career as the league's all-time leading scorer (2,488) in men's hoops, while Oral Roberts' Caleb Green and Ken Tutt are the nation's highest scoring freshman duo. Valparaiso becomes the first program to repeat as the Mid-Con Women's Basketball Tournament champion. Oral Roberts sets a league record with 50 wins and finishes the season ranked in all four of college baseball's polls, while All-American Dennis Bigley is only the second player in league history to be named the Player and Pitcher of the Year in the same campaign. Southern Utah becomes the first Mid-Con school to sweep the men's and women's cross country and indoor and outdoor track and field crowns in the same year. Oral Roberts' Prince Mumba (800 meter) and Aubrey Martin (shot put) earn All-America honors at the NCAA Outdoor Track and Field Championship; Mumba runs for his native Zambia in the 2004 Athens Olympics., while Martin and Oakland swimmer Chris Sullivan compete in the U.S. Olympic Trials. Western Illinois wins a league-record fifth Commissioner's Cup. The Mid-Con Men's All Sports Award is renamed for retiring Valparaiso Director of Athletics Dr. William Steinbrecher.

CENTENARY ATHLETICS

Centenary College of Louisiana has fielded an athletic team in at least one sport since 1894, when the football team faced Louisiana State University. Centenary's football squad was one of the best in the South in the first half of the 20th century, the high point being an undefeated 10-0 season in 1927.

Centenary produced professionals Conway Baker, Buddy Parker, and Cal Hubbard. Hubbard is a member of three halls of fame: Pro Football Hall of Fame, College Football Hall of Fame, and Baseball Hall of Fame. However, the poor oil economy in the area forced the discontinuation of the football program in 1947.

The 1920s saw the establishment of the men's basketball and baseball teams at Centenary. The basketball Gents have had 44 seasons with a .500 or better winning percentage, including the 2002-2003 campaign.



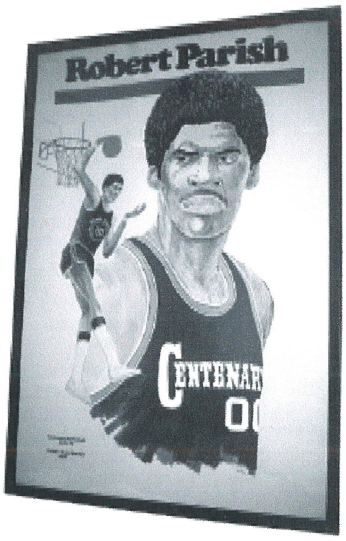
Hal Sutton '81

From 1972 to 1976, Robert Parish dominated Centenary's opponents, leading the Gents to an 87-21 record over that span. Parish still holds numerous Centenary records, including the single game scoring record (50 points vs. Lamar in 1972), the single season rebounding record (18.7 rpg in 1972-73), and the career record for most field goals made (1,034). Parish was drafted in the first round by the Golden State Warriors in 1976 and later, as part of arguably the greatest frontcourt in NBA history, won three NBA championships with the Boston Celtics in the 1980s.

With a new 1,000-seat stadium, the baseball team is attracting top players to play for Centenary and top teams to play against the Gents. Thirty players who put on the Centenary uniform have gone on to play professionally. In recent years, the Gents have hosted Nebraska, Texas A&M, Kansas, Alabama, Arkansas, and Michigan State at Shehee Stadium, with Iowa, Kansas State, Alabama, and LSU among those teams that visited Shreveport in 2003-04.

In 1980 the Golf Magazine College Player of the Year did not come from a traditional power. Hal Sutton, a native of Shreveport who stayed home to attend Centenary, won that honor as well as the 1980 U.S. Amateur. Sutton has gone on to win two Players Championships, a PGA Championship, and a Tour Championship, as well as earn a spot on four U.S. Ryder Cup teams.

Recently Centenary athletes have found their names at or near the top of the NCAA rankings. In 2000,



Robert Parish '76

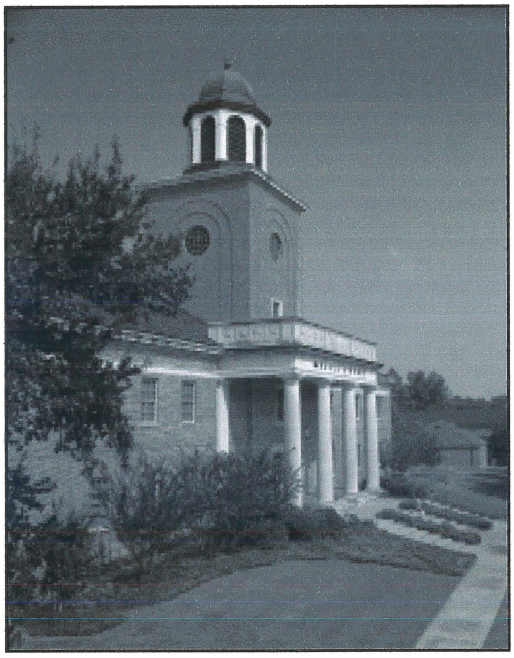
women's soccer player Lara Brown led all Division I players in points per game and goals per game. Ronnie McCollum followed suit during the 2000-2001 basketball season, leading the nation in scoring. Andrew Wisniewski picked up where McCollum left off, finishing in the top 20 in scoring and steals during the 2002-2003 season.

With the addition of men's and women's swimming in 2002-2003, Centenary now sponsors 16 intercollegiate sports, as many as any other Division I program in Northern Louisiana. The gymnastics team won the USAG National Championships,in 2004 and the softball team qualified for the 2004 NCAA tournament. In addition, the women's soccer team has won over 65 percent of their matches in the 11-year history of the program, and, most importantly, Centenary's athletes graduate, ready for the real world in whatever field they choose.

THE COLLEGE

Centenary College of Louisiana is a selective liberal arts college offering undergraduate programs in the arts, humanities, natural sciences, and social sciences, as well as a limited number of graduate programs. Students and faculty work together to sustain a community focused on ethical and intellectual development, respect and concern for human and spiritual values, and the joy of creativity and discovery. Consistent with its affiliation with the United Methodist Church, the College encourages a lifelong dedication not only to learning but also to serving others.

In pursuit of these ideals, the College challenges its students to write and speak clearly; to read, listen, and think critically; to comprehend, interpret, and synthesize ideas; to analyze information qualitatively and quantitatively; to appreciate the diversity of human cultures; to respect the value of artistic expression; to realize the importance of a healthy mind and body; and to recognize the interdependence of people and the environment.



MAGALE LIBRARY

Academic Program

Centenary College of Louisiana offers three undergraduate degree programs: the Bachelor of Arts, the Bachelor of Science and the Bachelor of Music.

The Centenary curriculum aims to produce graduates of extraordinary intellectual and vocational versatility who are prepared to assume responsible positions in their communities and professions. The College prepares its students in critical thinking and in the fundamental communication skills of writing, speaking and numeracy.

The core curriculum begins with the First-Year Experience, which initiates an emphasis on critical thinking and rhetorical skills in an interdisciplinary context. The balance of the core curriculum further develops these skills while it introduces students to basic areas and fundamental techniques of human inquiry. Specific core requirements are the First-Year Experience and selected courses offering inquiry in the humanities, mathematics, natural sciences, and social sciences. Additionally, all undergraduates participate in the Centenary Plan, which involves a service-learning project, career exploration, and an intercultural experience.

Academic Facilities

Centenary has a personal computer for one of every three undergraduates. Every residence hall room is wired for free, direct Internet and computer connections. Some 30 computer laboratories are spread throughout campus, as are numerous multimedia editing and projection facilities. The Magale Library, the academic heart of the campus, has a wealth of volumes, searchable databases, personal computers, multi-media accessories, and software programs.

Specially equipped buildings and facilities include the Marjorie Lyons Playhouse, the Gold Dome, the Fitness Center and Swimming Pool, Mickle Hall of Science, Hurley Music Building, Jackson Hall, Turner Art Center, and the Meadows Museum of Art.

Faculty

More than 90 percent of Centenary's faculty holds the highest degree in their discipline. There are 74 full-time and 41 part-time faculty members, with a student-faculty ratio of 12 to 1. There are no graduate students teaching classes at Centenary. The primary emphasis is on teaching, although research and service activities are also important components of the Centenary experience. These activities involve undergraduates to an extent unavailable at large institutions.

Summary

Academic and co-curricular programs support students in their development and encourage them to become leaders in the work place, the community, the nation, and the world at large.

SHREVEPORT-BOSSIER CITY

Centenary College is located two miles from downtown Shreveport, the third largest city in the state of Louisiana. Shreveport is located on the west bank of the Red River in Northwest Louisiana. Over 300,000 people reside in the metropolitan Shreveport area.

Shreveport is considered the geographical, cultural, and economic center of the region know as the Ark-La-Tex, encompassing East Texas, Northern Louisiana, and Southern Arkansas. Shreveport is only a few hours away by car from other major cities such as Dallas and Houston in Texas, Baton Rouge and New Orleans in Louisiana, Jackson, Mississippi, and Little Rock, Arkansas.

Shreveport is separated from Bossier City by the Red River, but many locals consider themselves residents of the Shreveport-Bossier region as a whole instead of one of the specific cities. People who live here think nothing of crossing the river to take in an event, no matter which city is the official host.

There seems to always be a festival going on that shines a spotlight on some aspect of life in Shreveport-Bossier that is unique. In May, the Mudbug Madness Festival celebrates the abundance of crawfish found in the area, while African-American culture is celebrated in June with the Good Times Roll Festival, featuring music, art and food.

One of the major highlights of the year in Shreveport is the State Fair of Louisiana, held every October. The fair features more than 70 rides and one of the finest livestock gatherings in the United States.

Another major event that showcases Shreveport on a national level is the Mainstay Independence Bowl, held in late December. The annual football game, featuring a team from the Big 12 Conference against one from the Southeastern Conference, is carried on national television and showcases the Shreveport-Bossier community coming together to make the event a success.

That is not the only athletic competition held in the area. The CenturyTel Center, a 12,000-seat arena opened in 2000, is the home of minor league hockey and arena football, as well as basketball games and wrestling events. National fishing tournaments and golf tournaments have also been brought to Shreveport-Bossier in recent years.

The area features a wide range of museums, from autos and aviation to science and Elvis Presley. Many of the buildings in downtown Shreveport are now listed on the National Register of Historic Places, and a trip to the piney woods of Northwest Louisiana will yield visits to rural towns such as Vivian, Plain Dealing and Shongaloo, each one with its own collection of treasures, history, and fine dining.

There are plenty of outdoor activities in the Shreveport-Bossier area. From hiking at the Cypress Black Bayou Recreational Area to golfing at Olde Oaks Golf Club, a Hal Sutton signature course and part of the Audubon Golf Trail, there is something for everyone.

Festival Plaza near Downtown Shreveport, where many gatherings are held throughout the year, such as the Mudbug Madness Festival and the Red River Revel.

DR. KENNETH L. SCHWAB
President

Dr. Kenneth L. Schwab, President of Centenary College since 1991, has been firmly established as an excellent educator and administrator over nearly 30 years of service. During his career, Dr. Schwab has consistently applauded student athletes who pursue academics and sports with equal fervor, discipline, and high standards, and it is these characteristics that make Centenary Gents and Ladies stand out among their peers.

A tenured professor in the Department of Education, Dr. Schwab hails originally from Indiana where he received his bachelor's degree from Purdue University in 1969. He then earned his master's in guidance and counseling from the University of North Carolina-Greensboro in 1972 and his doctorate in higher education administration at Indiana University in 1978.

Though Dr. Schwab has held many administrative positions at Centenary and other institutions, he continues to pursue his own scholarship as well, publishing a book, numerous articles, and several institutional planning documents regarding presidential leadership and transformational change. Indeed, Dr. Schwab's keen interest in leadership and strategic planning helped Centenary's latest comprehensive campaign raise over $100 million for the college. This amount exceeded the initial goal by over $30 million, enabling Centenary to build two new music facilities as well as renovate residence halls and the fitness center.

These improvements do not merely benefit the campus, though. From the arboretum to the chapel, the playhouse to the library, recital halls to the Gold Dome, Centenary encourages student involvement, preparing scholars for active civic participation. This small liberal arts institution focuses on the student and endeavors to facilitate academic, athletic, and social development for the whole person. Our faculty and staff are committed to these goals, particularly for student athletes.

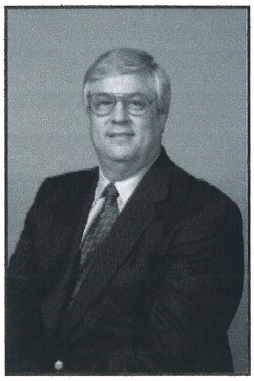
Dr. Schwab has actively involved himself with Centenary students throughout his tenure here. He team-taught Centenary's First-Year Experience program with the college's Chair of Liberal Arts one semester, and he travels with various Centenary groups like the college choir, always remaining a great Gents and Ladies supporter. In fact, he and the Centenary Gent mascot led the campus as they unveiled the new fitness center.

Active on-campus and off, Dr. Schwab participated in the Salzburg Seminar sponsored by the W.K. Kellogg Foundation, served as a European Community Visitor to the Commission of European Communities, and continued his scholarly work at Oxford, Johns Hopkins, and Harvard Universities. He also represents Centenary on a number of community and academic boards, including the Associated Colleges of the South Board of Directors.

Dr. Schwab's wife, Pat, earned her doctorate in education and now teaches a course each semester at Centenary. Their three sons (Kempten, Carlton, and Christopher) played select soccer throughout their school years.

Centenary President Dr. Kenneth Schwab cheers along with the students in the stands at the Gold Dome.

DIRECTOR OF ATHLETICS



TAYLOR MOORE
Director of Athletics

Taylor Moore, a Centenary alum and former owner of the Shreveport Captains baseball team, became the College's athletic director on July 1, 2003. Moore replaced Dr. David Bedard, who decided to return to the classroom as a professor of health and exercise science after serving as athletic director for almost four years.

A 1969 Centenary graduate and former Centenary baseball coach, Moore was president and majority owner of Shreveport Baseball, Inc., which operated the Shreveport Captains Baseball Club, until he sold the franchise in 2000. The Captains were a Double-A professional baseball club affiliated with the San Francisco Giants.

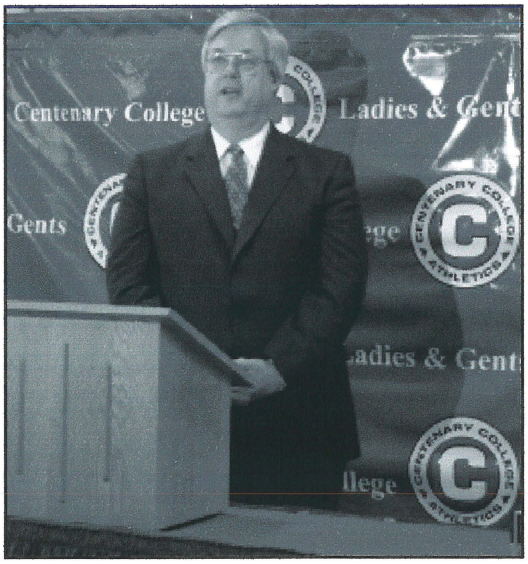
Moore has stayed active within the Centenary community, serving as a board member and former president of the Centenary Gents Club. In 2001 he received the Centenary Alumni Association's highest honor when he was named to the Alumni Hall of Fame.

Moore takes over a program that will begin play in the Mid-Continent Conference this fall after four years as an independent school. He will use his experience in leadership to make sure that Centenary athletics continues to grow and compete in its new home.

"Centenary has an exciting future ahead in athletics and I am pleased and honored to be able to have a part in it," Moore said. "I've been a member of the Centenary family for so long, I feel like I'm coming home. I have great respect for the College and its role in Division I competition."

Moore has been recognized with the Texas League Award of Merit for 25 years of leadership, the Shreveport-Bossier Advertising Federation's Award of Excellence, the Sports Foundation Sportsman of the Year Award and the *Shreveport Journal* Sportsman of the Year designation.

Long active in local civic affairs, Moore is a board member of the Frost Foundation, the Committee of One Hundred, Crimestoppers of Shreveport and Centenary College. Before taking over as athletic director, he served as secretary and member of the Executive Committee of the Centenary Board of Trustees.



"Taylor Moore can hit the ground running and we are fortunate to have someone of his caliber to lead us into this historic time for Centenary athletics."

Head Athletic Trainer
Alan Edwards

Athletic Trainer
Dustin Bradstreet

Alan Edwards begins his tenth year as head athletic trainer for the Centenary athletic program. Edwards is a 1991 graduate of McNeese State University with a bachelor of science in health and physical education. He earned his master's degree in exercise science at Northeast Louisiana University in 1993. Edwards' services are provided through a partnership between Centenary College and Christus Schumpert Health System.

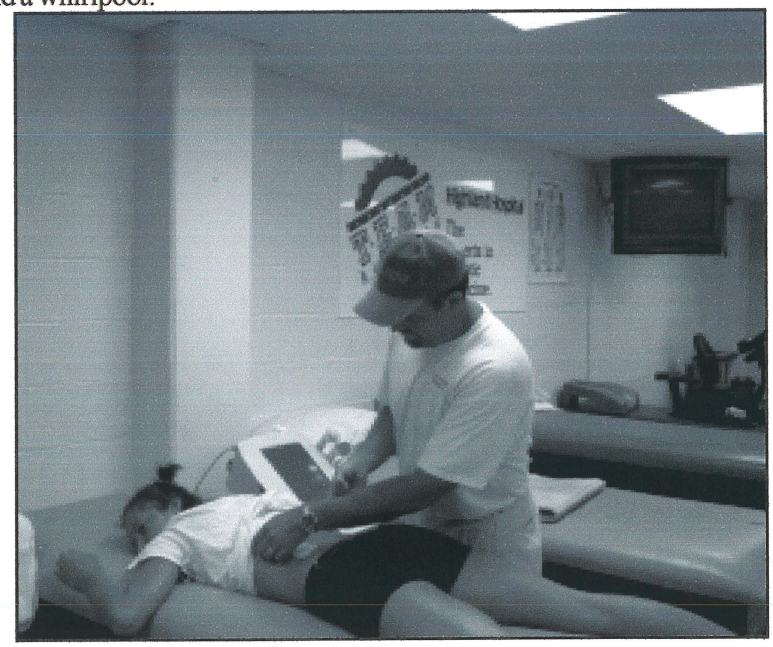
Dustin Bradstreet begins his second year as an athletic trainer at Centenary having moved to Shreveport from Wichita, Kansas. Bradstreet is a 2001 graduate of Fort Hays State University where he received a bachelor of science degree in physical education with a focus in athletic training. He continued his education at Fort Hays and graduated in 2003 with a masters degree in Health and Human Performance with emphases in exercise science and sports administration. He is certified with the National Athletic Trainer's Association Board of Certification and has been in good standing since 2001.

Edwards and Bradstreet also supervise student and volunteer assistants as they gain valuable experience in their pursuit of becoming Certified Athletic Trainers. Student and volunteer assistants obtain practical experience at home and on the road, working with the Gents and Ladies athletic teams. Their services are donated by Christus Schumpert Systems.

The Centenary College sports medicine facility is located on the bottom floor of the Gold Dome, where continued improvements have resulted in an enhanced facility.

The improvements include an upgraded computer system with injury tracking software, the addition of two stationary bicycles, and an increased storage capacity for the daily supplies used in treatments of student-athletes.

The training room is equipped with modalities to assist athletic trainers in the treatment of injuries of Centenary athletes. The room also contains training tables, an ice machine, and a whirlpool.



Head Athletic Trainer Alan Edwards works on the back of a Centenary athlete.

Jeffrey Messman is entering his first year as Sports Information Assistant at Centenary. He is the primary media contact for women's soccer, women's basketball, men's and women's golf and baseball. Messman attended Pennsylvania State University before graduating from Marymount University (Va.) in 2003 with a Bachelor of Arts in Communications. During his studies at Marymount, he interned with the Washington Freedom of the WUSA women's professional soccer league during their 2003 championship season.

Messman is originally from Washington, D.C. and now lives in Shreveport.

HEAD COACH

Eric Mayo
Head Coach

Eric Mayo joins the Gents head coaching staff for his first season after serving as an assistant coach for the past two years.

Mayo graduated from Centenary College in 2002 with a degree in health & exercise science. As an assistant he assisted in fundraising, camps, recruiting, practices, and all other aspects concerning the men's soccer team. He was a four-year starter for the Gents and a captain. In his career, Eric played in 62 matches and scored seven goals, tallied five assists, and accumulated 19 total points.

Mayo served as coach of the Airline High School varsity and junior varsity girls teams in 2001, as well as the Southwood High School varsity and junior varsity girls teams in 2000. While at Airline HS, he was named District Co-Coach of the Year. Mayo is currently the coach of the University Soccer Club U-18 boys select team.

Eric and his wife Jenny reside in Shreveport. He is the son of Terri Mayo and has one brother and one sister.

G.B. Cazes
Assistant Coach

G.B. Cazes enters his first season as the Gents assistant coach. A 2002 graduate of Centenary College, Cazes played four years for the Gents while earning a Bachelor's Degree in business administration and finance. Today, Cazes works in Sales/Marketing for a prominent Shreveport company. During his tenure at Centenary College, Cazes was a four-year starter and a two-time captain. In his senior year, Cazes was ranked 30th in the NCAA for most points per game. Cazes also earned his national "D" coaching license and has experience coaching youth and high school in his home town of Birmingham, Ala.

Cazes will assist in player development and gameday responsibilities. He will also be responsible for fundraising, alumni development, and other aspects concerning the men's soccer program.

2004 SEASON OUTLOOK

The 2004 Centenary Gents are hungry to come back from an unfortunate 2003 season. Not being able to finish scoring opportunities led the team to finish with a 2-14-1 record. Centenary evaluated its program and made many changes including assembling a new coaching staff, improving facilities, and the addition of nine new talented freshman. With returning players filling leadership roles, the Gents are on their way to improving last year's record.

New head coach Eric Mayo, will have the task of rebuilding this fresh team without the help of offensive powerhouse Garret Pickard, Felipe Pereira, and three-year starting goalie Stefan Nicola. A native of Houston, Mayo has a wealth of Centenary experience. Mayo is a Centenary alum and served as the school's assistant coach for the past two years. He was a four-year starter for the Gents and a captain. For the past year, he has been busy working on facility renovations and recruiting a talented group of new student athletes.

"I am excited and ready for the upcoming season," said Mayo. "The improvements in our facilities and new coaching staff will push us to get back to our conference winning days. Our seniors and core group of returning starters have been playing together for the past two years and have built strong team chemistry. I have high expectations for this season due to our solid midfield and experienced defense."

One of the sound areas of this year's team will be the defense. Once again the Gents will look to Aaron Elrod to command the back line. As an aggressive defender, Elrod started all 17 games last year, scored one goal, and was named to the 2003 First Team CoSIDA Academic All-District team. Elrod's partner in defense over the past two years has been junior Jonathan Wright. This tenacious duo will be the key to stopping the opposing team's offensive attack again this year.

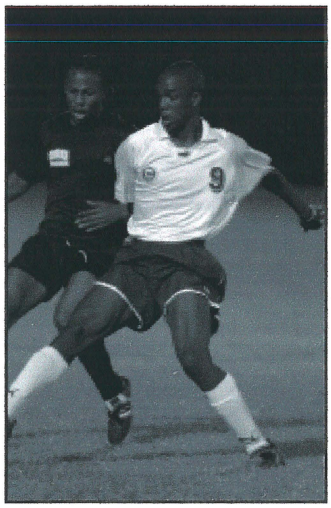
"We gave away too many shooting opportunities to opposing teams last year," said Mayo. "With the experience of our older players and the new addition of quality young players we are striving for 6 to 7 shutouts this season."

With seven starters returning, many of the freshmen will be competing for playing time and perhaps a starting spot. One of the standout freshmen is defender Dustin Forward. Standing at 6-2, this gifted player's sheer size will allow him to be an integral part in controlling the backfield. Also battling for defensive playing time will be program veteran Wes Hardin, and newcomers Anthony Floyd and Mark Immler.

The loss of Centenary's starting goalie will force some changes within the net. The three freshmen that will be competing for the starting goalie position are Donnie Henderson, Ransone Rose, and James Speed.

"Donnie has come into camp with some pre-existing injuries that have halted his progress," said Mayo. "Rose to this point has shown well in training and looks at least to have the starting position going into the beginning of the season. However, it is early and we look for Donnie and James to continue to improve in training and fight for the starting position."

The Gents' midfield is full of experience and depth. A foursome of seniors return to create a solid midfield comprised of Greg Clarke, Jeffrey Krulin, Michael Krulin, and Jason Williams. This concrete group collected five goals, three assists, and 13 points last season. The Krulin brothers are more offensive-minded midfielders who had a total of four goals in 2003, while Williams' strength lies as a defensive midfielder. Junior Joseph Sidaros will also contribute to the midfield line after seeing action in 10 games last season.



Senior Greg Clarke battling for control against Oral Roberts.

Senior Jeffrey Krulin winning possession.

Centenary lost its two highest scorers last year, leaving the offensive attack up to freshman forwards and Centenary's aggressive midfield. Although, Clarke played more defensively than offensively last year, in 2002 he knocked in 10 goals and dished out six assists. The Gents will be looking to him for his hard-hitting foot and ability to put points on the board.

Centenary faces a tougher schedule then they have had in the past. Coach Mayo is optimistic about this year's schedule stating that, "Memphis and Western Kentucky are very good squads and will be a great test for us early in the season."

Unfortunately, Centenary did not rank high on the Mid-Con preseason coaches poll. The results are as follows: (1) Oakland, (2) UMKC, (3) Western Illinois, (4) Oral Roberts, (5) Valparaiso, (6) IUPUI, and (7) Centenary. On a positive note, the Gents will be able to prepare against a series of non-conference teams before playing their first Mid-Con team on October 2nd at home against Valparaiso.

2003 SEASON REVIEW

The first couple of matches foreshadowed the 2003 season with the Gents falling short in a series of devastating one-goal losses. Nine of Centenary's 17 matches were lost by only one point with three of them going into nail-biting overtimes. The Centenary Gents completed the season with a 2-14-1 record and a 0-5-1 conference record. Centenary outshot its opponents 257-251, but had an upsetting 19-49 final goal differential, which plagued their entire season. Although the Gents did not have a winning record, the team had a lot of highlights collectively and individually.

Veteran Garret Pickard proved once again to be an important role within the Centenary offense. He appeared in all 17 games tallying 12 points on four

Jack Goodloe

goals and four assists. His four goals on the season gave him a career total of 27, which was good enough to place him in fourth place all-time for goals in a career. He also added his name to Centenary's all time records list, tallying 28 assists and totaling 82 career points. Pickard's impressive play earned him a spot on the Mid–Con Second All Conference Team. Even though Pickard was the veteran favorite, it was a fresh-faced freshman leading the Gents in scoring. Alex Smith accumulated six goals and six assists, good for a team high of 18 points.

Once again, it was junior Aaron Elrod holding the ropes of Centenary's defense. Elrod played in all 17 matches knocking in one goal as a defender. His success spread off the field being named First Team CoSIDA Academic All-District. Playing between the goal posts was senior Stefan Nicola. He also broke his way on to the Centenary's career leaders lists with seven shutouts. As the Gents third year goalie, he started all 17 matches allowing 49 goals for a 2.81 goals against average, while pulling in 89 saves for a .645 save percentage.

Junior Jeffrey Krulin and Michael Krulin each contributed greatly to Centenary's offensive attack. Jeffrey Krulin was third in team scoring early in the season with three goals. His brother, Michael accumulated one goal and one assist on the season. Other players contributing to the Gents offense were midfielder Joseph Sidaros who tallied one goal and one assist and junior Felipe Pereira who finished the year with two goals and one assist.

The Gents opened the season with a painful 3-2 loss against IPFW. Luck was not on Centenary's side in the intense double overtime period when the Mastodons rebounded a blocked shot past Nicola in the 105th minute for the win. The following two matches were lost by one point against Western Michigan, 2-1 and another disappointing overtime loss to Illinois-Chicago, 2-1. Centenary went on the road for two weeks expanding their losing streak to seven, falling to Memphis, 2-1, Stetson, 3-2, Central Florida, 4-1, and were shutout by conference rival Western Illinois, 5-0. Coming back to Mayo field, the Gents tied IUPUI 1-1, outshooting the Jags 22-11. Going back on the road, the Gents added another loss to Southern Methodist 5-1, posting a 0-15 all-time record against the Mustangs. The Gents finally broke their losing streak overtaking Drury, 3-2, courtesy of Pickard's powerful breakaways and Smith's game winner in the 54th minute. Unfortunately, the Gents were unable to continue winning falling to Valparaiso, 3-2 followed by a 4-0 shut-out at home to Mid-Con foe Oral Roberts. Defensively, the Gents turned up the pressure in a physical match against Oakland, allowing only three shots in the first half. Centenary was unable to put one in the net before the buzzer, losing to the Golden Grizzlies 1-0. With a 1-11-1 record, the Gents traveled to Birmingham to take on the UAB Blazers. The Gents felt the pressure of the large crowd of over seven hundred, falling to UAB 6-1. Back on their turf, the Gents earned their first shutout of the season against first time opponent, Belhaven College. Both teams came out strong in the first half, but were unable to score. After the intermission, Smith got the Gents on the scoreboard first in the 51st minute. Jeffrey Krulin nabbed the game winner at the 60:21 mark, beating the Blazers 2-0. Centenary finished the season with two more losses against Drury 4-1 and UMKC 2-0. The 2003 season wrapped with a .147 winning percentage, the lowest in Centenary history, and the resignation of head coach Jed Jones. Jones had coached the Centenary Gents and Ladies for the past seven years.

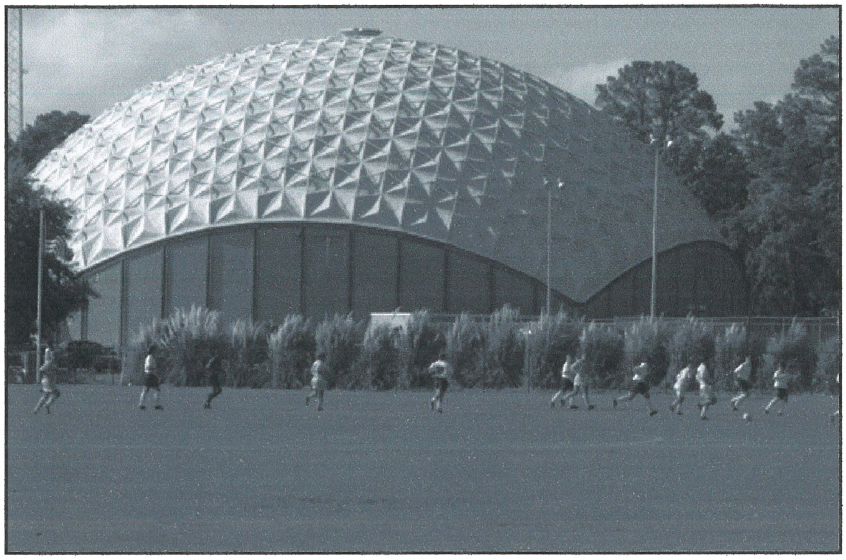
Current players in **bold**.



For most teams, success on the field is the result of hard work and preparation. At Centenary, the formula is no different as not only do we receive great efforts from our athletes, but from coaches, administration, and alumni as well. As a result, both the Gents and Ladies soccer programs enjoy fine facilities in which to train and compete.

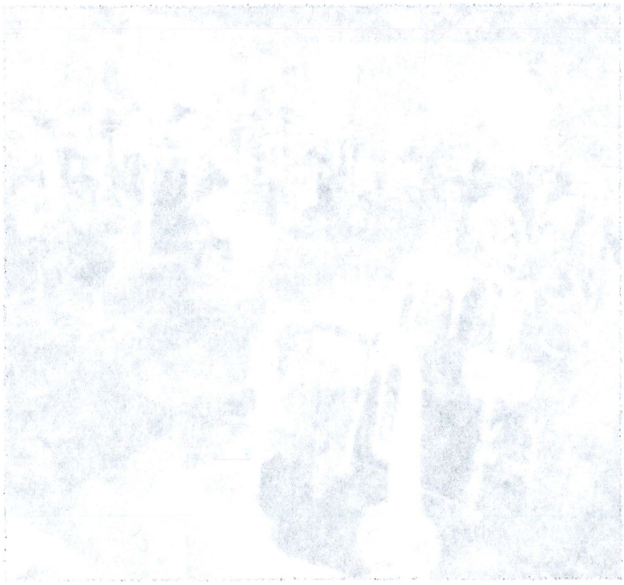
Mayo Field has served as the home site for all Centenary soccer contests since the inception of the men's program in 1979. Originally referred to as the Centenary Soccer Complex, the field was renamed in 2001 in honor of Lewis Mayo. Mayo, the father of former Gents player Eric Mayo, lost his life heroically fighting a fire while serving the Houston, Texas, area as a member of the fire department. His family graciously donated the funds that allowed Centenary to erect a quality lighting system. The first-ever night soccer game at Centenary was played on August 31, 2001, against Georgia Southern University. A memorial to Lewis Mayo stands at the entryway to the field named in his honor.

Various other upgrades and additions have been made to Mayo Field over the past several years. New stands for seating were installed in 2000 that now allows for a crowd of 500 to comfortably cheer on the Ladies and Gents. A physical plant building was transformed in 2000 to house a new locker room and three offices for the soccer coaches and staff.

In 2001, a new building for concessions and restrooms was added next to the playing field to provide a better overall experience for all fans that visit Mayo Field.

2002 brought on several upgrades to the field itself. The chain link fencing that surrounded the field was torn down and new black iron fencing was installed to enhance the overall look. The playing surface was improved with the addition of an underground drainage system that will allow the field to remain playable in adverse weather conditions. Most recently, netting was hung behind both goals to limit the amount of balls that leave the playing area.

With contributions from generous alumni and friends of the college, the Centenary soccer program will look to continue to make a trip to Mayo Field an enjoyable experience for all of those involved.

The Sports Fitness Center is also a crucial component to the success of the Ladies and Gents programs. The $10 million facility, remodeled and expanded, reopened in 2000 with state of the art weight and exercise machines. Players can workout in the facility both on their own and as a team. Other features of the Fitness Center include: hot tubs and saunas, dressing rooms, a pool, classrooms, dance studios, and courts for basketball and racquetball.


In the fall of 2002, the Wilhite Media Room was completed in the Gold Dome. The room features stadium seating, a projector, and sophisticated computer software that allows teams to edit game footage in order to better scout and review opponents. The Wilhite Media Room is most commonly used as a meeting room for teams and staff as well as a working room for the media during events held in the Gold Dome. All press conferences are also held in the room.
